

## **Press Release**

**Tierra de Exploradores** invite you to the photo exhibition "Antarctica" by artist Marcelo Gurruchaga to be held under the XV Photographic Open Meetings - Festival of Light 2008.

The show will be open between 14 and Aug. 27, from 14:30 to 18:30 in EdeA Gallery, located in Defensa 771 - San Telmo.

This exhibition is part of an extensive work, for which Marcelo Gurruchaga has spent over three years and five trips to the Antarctic continent. The exhibited works will be included in his second book, "Antarctica", forthcoming. We enclose the invitation to publish photographs and a brief resume of the author.

Thanks for your distribution.
